Introduction/Links to Curriculum:
As part of our Term 3 topic ‘Weather In My World’ the Prep students will be involved in an in-house activity called ‘Wicked Weather’ where they are able to participate in activities about the weather and the way the weather effects our world. The students will have the ability to be involved in hands on activities where they create different forms of weather such as clouds and rain and even create their own flurry of snow. Students will continue to learn new vocabulary about the weather such as atmosphere and different names of clouds.
