THOMAS MITCHELL PRIMARY SCHOOL

YEAR 5 ACTIVITY – PROJECT ROCKIT ‘SOCIAL LEADERSHIP’ WORKSHOP

8th September, 2016

Introduction/Links to Curriculum:
The Year 5 students at the beginning of this year were introduced to our new school values, ‘Caring, Connected and Courageous’. Over the duration of the year the students have continually made connections to these values. Students have developed their relationships within the classroom and outside in the wider school community with these values in mind. They have often worked in teams within different settings, including class activities and sports.

The Year 5 students will be able to explore these skills further and also learn new strategies through the ‘Project Rockit’ workshop. Students have the opportunity to connect with other students in different activities throughout the workshop, developing their leadership skills and strategies in different scenarios and exploring social challenges themselves or a friend may face.
