

THOMAS MITCHELL PRIMARY SCHOOL

6TG EXCURSION

IMMIGRATION MUSEUM AND MELBOURNE STAR OBSERVATION WHEEL

4th May, 2017

Introduction/Links to Curriculum:

As part of our geography and history studies, the students in 6CW and 6JR will be visiting the Immigration Museum and Melbourne Star Observation Wheel on Tuesday 6th June, 2017.

At the Immigration Museum, the students will take part in the 'Passport Plus' guided tour. They will uncover the migration stories contained in a collection of suitcases and be encouraged to develop a profile of the migrant whose belongings they discover. This will help the students develop an understanding of the history and experience of immigration to Victoria and Australia. They will also develop an appreciation of what immigration has brought to this country by completing the activities from the Passport in each gallery space.

The visit to the Melbourne Star Observation Wheel will enable students to explore the various ways humans have used and affected the Australian environment, particularly in Melbourne. The students will have access to the 'Tales of Melbourne' information in the boarding area and will be given many insights into the settlement and development of Melbourne whilst riding on the Melbourne Star Observation Wheel.
