

THOMAS MITCHELL PRIMARY SCHOOL

YEAR 4 ACTIVITY – TERRARIUMS

10th August, 2017

Introduction/Links to Curriculum:

As part of our 'Plants in Action' unit, Year 4 students will be designing, building and creating their own terrarium. Through this process students will be developing their design and technology skills, as well as building on their knowledge of plants. Students will have to work out how to create a suitable and nutritious base for their terrarium and how to care for it to help the plants survive and grow. They will then monitor the progress and growth of their plants over the following weeks altering and watering their terrarium to create optimal conditions for plant growth.

Participants/Classes: 4BS, 4CM, 4EH, 4JU and 4MR

Date: Thursday 24th August, 2017

Times: During class time

Venue/Address: Outside Year 4 classrooms, Thomas Mitchell Primary School.
Parent helpers are not required for this activity.

Cost: \$2.50

This cost is covered by the 'Essential Items – Excursion Levy' payment that all parents were requested to pay at the commencement of their child's school year. In the event your child does not participate (eg. due to illness), NO REFUNDS will be given as all materials are purchased prior to the activity day. The teacher will create a terrarium on your child's behalf.

Uniform: All students must wear school uniform.

Permission form: To be returned by: **Friday 18th August, 2017**
