
THOMAS MITCHELL PRIMARY SCHOOL

YEAR 6 CAMP – THE SUMMIT
WEDNESDAY 24TH OCTOBER TO FRIDAY 26TH OCTOBER 2018

16th July 2018

Dear Parents and Students,

ELECTRONIC GAMES, MOBILE DEVICES & DIGITAL IMAGES AGREEMENT

As you are aware your child will soon be participating in the Year 6 Camp to The Summit. Some children have expressed their wish to bring along an electronic game, such as a PSP and/or iPOD and/or mobile device without SIM card. This is an outdoor education camp and we encourage children not to bring them so they can focus on developing positive social interactions with others. If you decide it is appropriate for your child to bring along an electronic game/mobile device, we ask that you note and discuss the following information with your child:

- Children wishing to bring electronic games/mobile devices, must have parent permission to do so
- Games must be G rated
- You/your child are responsible for any loss or damage to the equipment (the school is unable to be responsible for care and safety of electronic games/mobile devices and does not hold insurance to cover any loss or damage)
- Electronic games/mobile devices may be used on the bus and at specific quiet times whilst on camp. If your child brings along a game/device, he/she must agree to care for it and not use it at times such as during activities, meal times or bed time.
- Student mobile phones/devices are permitted however the SIM card must be removed and form part of this agreement. Please ensure the SIM card is removed from the phone/device before sending it to school for camp. Information is provided on the 'Last Camp Details and Reminders' notice about contact numbers whilst on camp.
- Please discuss with your child that if they intend to take photos/digital images using their device that they are to be retained only for personal purposes, and not shared or uploaded to any social media or public/sharing internet platform, other than at school, using school equipment.

Should you believe it necessary for your child to bring along an electronic game or mobile device to camp, then please read, discuss and sign the agreements attached (both you and your child are required to sign them) and return them to school prior to camp departure.

Yours sincerely,

Ben Stanford
