THOMAS MITCHELL PRIMARY SCHOOL

5th March 2019

NUDE FOOD

Dear Parents,

Over the course of 2019, students from Year 1 – 6 will participate in a healthy and sustainable cooking program. This will involve the students having discussions and activities on healthy eating, growing and harvesting their own food, sustainable packing, food miles and skills that can be used in the kitchen.

Each class will be producing a different cultural dish which will include foods from our own school’s vegetable patch and local shops.

To assist in the organisation of this program, could you please return the form below as soon as possible, allowing your child to be a part of the program and also including if your child has any food allergies, intolerances or special dietary requirements.

If you have any questions, please let us know.
