Friday	18/9	Premiers' Reading Challenge Closing Date
Friday	18/9	Last Day of Term 3
Monday	5/10	First Day of Term 4

FROM THE PRINCIPAL

Dear Parents,

Remote learning will continue for next week, with Friday 18th September the last day of Term 3. School will finish at 3.30pm on Friday. We are then on holidays for 2 weeks, with school resuming on Monday 5th October.

At this time, we have been advised that school will resume with remote learning for all classes for the first week of Term 4.

When we are advised of the dates for all classes to return to school, I will let you know.

Parent /Teacher Interviews.

I hope all parents have had, or have a planned interview. If you have not had an interview, or don't have one planned, please contact your child's teacher or contact the school either by email thomas.mitchell.ps@education.vic.gov.au or phone 9706 2254.

Prep Enrolments for 2021

Can we take this opportunity while we are in lockdown to ask our families if they have a child who will be commencing Prep in 2021, or they know of a family who are wanting to enrol their child for Prep next year, to please enrol them now if you haven't already done so.

All the enrolment information is available on our school website <http://www.tmps.vic.edu.au/about-us/119/> which can be downloaded and then forwarded to the schools email thomas.mitchell.ps@education.vic.gov.au for processing.

Year 6 Camp - Email Sent to Families of Children Participating

Yesterday an email was sent to parents who have a child participating in the Year 6 Camp. If your child is participating and you have not received this email, we ask you to please contact the school.

TMPS Enviro. News September 2020

Creative Art with Special Rock Messages and Rock Art

It was wonderful to see some very creative minds with our rock art activity. I'm sure many of them made wonderful Father's Day gifts. Thanks for sharing.

Premiers' Reading Challenge – Closing Date next week, 18th September

The Victorian Premiers' Reading Challenge is still open. TMPS is participating and all children are encouraged to join, but time is running out if anyone else wishes to join. It is not a competition, but a challenge for children to read a set number of books by the 18th September. It is **free to join**. So far, over 2,500 books have been read by participating students. Congratulations to the 38 students who have completed the Challenge so far. WELL DONE! **All books must be entered by the end of next week (18th September).**

Children in Prep, 1 and 2, need to read **30 books** (20 or more must be from the Challenge list). They can read books by themselves or have someone else read to them. Children in year 3-6 will need to read **15 books** (10 or more must be from the Challenge list).

Challenge lists are available to view online. All children who complete the Challenge will receive a certificate from the Premier of Victoria. As well, at TMPS all children who complete the Challenge will receive a small prize and be eligible to win some special prizes.

This year sees the launch of a new website with exciting new features. These include, having your own avatar, earning ebadges as you progress through the Challenge and giving books a rating or a review.

If you still wish to join, please contact TMPS via email or phone as soon as you can. TMPS will then forward you a username and passcode for your child. The child will be able to log onto the website and enter books they read or start exploring what the new website offers. TMPS will verify all books for you.

It may be a little more challenging to access reading material at the moment, but here are a number of suggestions to make it a little easier. Keeping up with reading for learning or pleasure is really important, especially at this time.

- For young children, search YouTube for 'read a picture book', and listen to dozens of children's books like *The Lorax*, *The Very Hungry Caterpillar* and *The Rainbow Fish*.
- Watch your favourite authors read their books at [The Big List of Children's Authors Doing Online Read Alouds and Activities](#).
- Watch astronauts on the Space Station read children's books at [Storytime from Space](#).
- Stream videos of authors reading children's books with illustrations at [Storyline Online](#).
- Listen to a [David Walliams audio book](#).
- Download a free classic children's or young adult's book from [International Children's Digital Library](#) or [ManyBook.net](#)
- **Local Library.** If you are a member, you can access online resources for free. Some of their free online resources include, Storybox Library, Tumblebooks and Borrowbox.. They also have online storytime, read by staff, to watch. If you are not a member, it is free to join and you will be able to access a world of books and resources for free. Contact your local library for more details.
