Free Eye Tests

Covered through Medicare

Haven't had your child's eyes tested in a while?

According to the **Optometry Association of Australia**, every person should get their eyes checked at least once every three years.

Full eye tests will be conducted at **Thomas Mitchell Primary School**.

At least **1 in every 6** students have vision issues that go undetected.

All students are given a detailed report at the end of their eye tests.

Find out if your child's eyes are in good condition!

Dear Parent/Guardian,

student eyecare

Thomas Mitchell is pleased to announce that it will be running a welfare initiative called the **Student Eyecare Program** in Term 3. An optometrist will be onsite during school hours to provide students with a comprehensive eye examination. This will be done by appointment only and typically takes up to 20 minutes. Each attendee will receive an individual report regarding the eye health and a prescription will be provided if glasses are required. The school will not have access to the individual report but will be notified if glasses were recommended. Please note that this service does not sell glasses and the prescription can be taken to any optical store.

The program's aim is to detect visual problems that may interfere with a student's learning abilities and subsequently hinder their academic potential. A significant number of students have visual problems that go undetected. The main visual issues that go undetected are **inadequate focusing** and **eye teaming abilities** that could lead to symptoms such as poor concentration, fatigue, headaches and unwillingness to read.

This eye health service is available to all students and is covered by Medicare Australia – so there is **no cost** to the students. The form below is to be completed by the parent or guardian.

If you do wish for your child to participate in the program, please fill in the medicare details and questionnaire below and return the form to the school office as soon as possible. Online registrations are also available using the following link: <https://forms.gle/k4Cb3dxqHwyEdcA>

For further information, please contact Student Eyecare on 03 8644 7012 or visit www.studenteyecare.com.au

STUDENT EYECARE PROGRAM - REGISTRATION

I **DO WISH** that my child's eyes be examined as part of the **Student Eyecare Program**.
