## THOMAS MITCHELL PRIMARY SCHOOL

---

18<sup>th</sup> March 2020

Dear Parents,

This week there have been large numbers of students who have been absent from school. We understand that some parents are keeping their children home due to concerns regarding the Corona Virus.

We have had many requests from parents to provide work for their children to complete at home. In light of this, we are currently in the process of preparing homework for students who are not attending school. The amount of homework will be enough for them to complete for this week. The homework is optional and should only be completed at parents' discretion.

The homework will be available by the end of the school day on Wednesday 18<sup>th</sup> March 2020. It will be posted onto the school website [www.tmps.vic.edu.au](http://www.tmps.vic.edu.au) (screen shots overleaf) for each Year Level. Paper copies can also be collected from Reception at school.

Some of the homework might require students to log onto an educational website to complete activities. These websites require individualised access codes. If your child does not know this information, please email the school [thomas.mitchell.ps@eduamil.vic.gov.au](mailto:thomas.mitchell.ps@eduamil.vic.gov.au) or call Reception on 97062254, and ask for your child's access codes for the programs they need to use for their homework. Note if emailing the school there may be at least one day delay in responding.

The websites for the relevant year levels are:

Year 2 - Mathletics, Study Ladder, Prodigy

Year 3 - Essential Assessment, Prodigy, Mathletics

Year 4 - Mathletics, Prodigy

Year 5 - Essential Assessment, Study Ladder

Year 6 - Essential Assessment, Mathletics

Once your child has completed their homework please correct it with them to make it a valuable learning experience for your child.

As this is an evolving situation, we will keep parents informed of any further updates via emails and we will post updates on our website.

Thank you for your cooperation in these trying times.

John Hurley  
Principal

**Welcome to Thomas Mitchell Primary School.**  
*Exploring together* means students, teachers, staff and parents seek the best education for all children by providing a friendly, safe, nurturing environment.

**We are from many places but we**  
are united and happy in the pursuit of excellence in education.  
We have retained good traditional education and combined this with well-researched modern approaches, where each child is treated as an individual. [More...](#)

Our school has recently become one of only 20 schools in Victoria to attain full accreditation with the Council of International Schools. This commits Thomas Mitchell Primary School to an ongoing process of rigorous evaluation and development involving all aspects of the school, and ensures that our students will continue to receive high quality education in the future.
