Dear parent/carer,

PARENT PAYMENT REQUESTS FOR 2024 YEAR 2

Thomas Mitchell Primary School is looking forward to another great year of teaching and learning and would like to advise you of the school's voluntary financial contributions for 2024.

Schools provide students with free instruction to fulfil the standard curriculum requirements and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support. This has made a huge difference to our school and the programs we can offer.

Within our school your support has allowed us to offer a wide range of subjects and additional programs and resourcing such as:

- Providing laptops or ipads to every classroom for sharing on a student ratio of 1:2
